

Thankful for Wildlife

3 Ways to Thank Wildlife

Leave the Leaves

Leaves are a natural habitat for overwintering insects.

Protect Naturall Habitats

Clean up local parks and avoid littering.

Keep Wildlife Wild

Holiday scraps can make wild animals sick and change their behaviors.

Create a Haiku to Thank Wildlife

- 3 lines
- 5 syllalbes in line one, 7 in line two, 5 in line three
- lines do not need to rhyme

Bears, otters, and birds
Thank you for sharing our world
We will care for you.
