Can you find all of the **BOLD** words?

**Hibernate** — Black bears in WNC enter a lighter state called torpor.

**Climb** — Bear cubs are excellent tree climbers. 

**Black** — Not all black bears are black; some are brown or cinnamon.

**Garbage** — Keep garbage in bear-resistant containers. 

**Nose** — A bear's nose is much stronger than a human's.

**Berries** — Bears love eating berries in the summer and fall. 

**Fur** — Thick fur helps keep bears warm in winter.

**Bear** - The bears at the Nature Center are named Uno and Ursa.
